**IMPORTANT TERMS, CONDITIONS AND REGULATIONS**

1. Orders must be received, with valid payment, a minimum of 14 days prior to show date to be eligible for advance rate. The advanced rate cutoff date is clearly indicated on the top of the electrical order form.
2. Conditions for processing service order forms are:
  - a. Payment for service MUST accompany service request. Date valid payment is received shall determine the applicable rate.
  - b. Personal checks will be subject to credit verification.
  - c. Incomplete hook-up or power requirement information will delay processing.
  - d. Booth Number(s) must be identified on face of form.
  - e. Location of power in booth(s) must be clearly marked on grid or provide prints or layouts if available.
3. Electrical work, other than that listed in unit price schedule on reverse side, will be charged on an hourly rate as shown. Minimum labor charge is ONE hour.
4. Credit will not be given for electrical service installed and not used. Electrical service is normally installed approximately 24 hours prior to Exhibitor move in date.
5. Under NO CIRCUMSTANCES shall anyone other than an Edd Helms Electric electrician install fixtures or make electrical connections.
6. All material and equipment furnished by Edd Helms Electric for this service order shall remain the property of Edd Helms Electric and shall be removed ONLY by Edd Helms Electric at the close of the show.
7. All equipment regardless of source of power, must comply with Federal, State, and local codes. Edd Helms Electric reserves the right to inspect all electrical devices and connections to ensure compliance with all codes. Edd Helms Electric is required to refuse connections where the exhibitor wiring is not in accordance with local electrical codes. You will be charged for inspections.
8. Permanent building utility outlets are not a part of booth space and are not to be used by exhibitors.
9. Use of open clip sockets, latex or lamp cord wire, duplex or triplex attachments plugs, or non-U. L. approved equipment is prohibited.
10. If your U.L. fixtures are not a permanent part of your booth, they MUST be installed by Edd Helms Electric.
11. All exhibitors' cords must be of the 3-wire grounded type. All exposed non-current carrying metal parts of fixed equipment, which are liable to be energized, shall be grounded.
12. All claims or disputes regarding service orders must be settled at the show and submitted in writing to the show service desk. No adjustments will be made after the show closes.
13. Labor rates are based upon current wage rates and are subject to change without notice.
14. All service connections and overload protection to equipment must be made by Edd Helms Electric.
15. All electrical equipment must be properly tagged and wired with complete information as to type of current, voltage, phase, cycle, horsepower, etc.
16. Electrical power for lights and displays will be turned on one half-hour prior to show opening and turned off one half hour after show closing.
17. Unless otherwise directed, Edd Helms Electric electricians are authorized to cut floor coverings to permit installation of service.
18. Rates quoted for all connections cover only the bringing of service to the booth in the most convenient manner and do not include connecting equipment and special wiring. Island displays, special wiring connections, or service locations requested at other than the rear of booth, shall incur additional charges for labor and material.
19. Standard electrical service available:  
120 Volt, A.C. Single Phase, 60 Cycle  
208 Volt, A.C. Single Phase, 60 Cycle  
208 Volt, A.C. Three Phase, 60 Cycle  
Special voltage available on request, 14 days prior to event.
20. Past due balances are subject to past due penalties (plus cost of collections).
21. Exhibitor holds Edd Helms Electric harmless for any and all losses of power beyond Edd Helms Electric control including, but not limited to, losses due to utility company failure, permanent power distribution failure, power failure caused by vandalism, faulty exhibitor equipment, or overloads caused by exhibitor.
